TOTAL	45 Days	9 Modules — Sales Engineering Program	B2B + B2C + Tools + Placement	90 Hours

MODULE 1	Sales Mindset & Foundation	Days 1–5 | 10 Hours

OBJECTIVE	*Equip learners with the foundational mindset, vocabulary, and attitude required to begin a career in sales with confidence.*

Day-by-Day Session Plan

Day	Session Topic	Content Covered	Activity / Practice
1	**Introduction to Sales as a Career**	Why sales pays high; salary structure (fixed + incentive); career ladder: Executive → Manager → Director	*Self-introduction: 60-sec career goal pitch*
2	**B2B vs B2C — Know Your Arena**	B2C: individual buyers, speed & emotion; B2B: company buyers, logic & relationships; industry mapping	*Map 5 local companies to B2B or B2C — present findings*
3	**How Customers Think**	5-stage buyer journey (Awareness→Action); Features vs Benefits; 'Don't sell the course, sell the career'	*Convert 5 features into benefits for a real product*
4	**Overcoming Rejection Fear**	Rejection = data, not failure; Law of Large Numbers; 10 nos → 1 yes mindset drill	*Role-play: receive 5 rejections — compose, respond, recover*
5	**Sales Professional Code & Ethics**	What separates top performers; discipline, punctuality, accountability; the non-negotiables in professional sales	*Group discussion: ethical dilemmas in sales scenarios*

Learning Outcomes

✓ Articulate why sales is a high-income career path	✓ Distinguish between B2B and B2C sales environments	✓ Understand the basic buyer journey	✓ Demonstrate resilience in the face of rejection

MODULE 2	Communication Mastery	Days 6–10 | 10 Hours

OBJECTIVE	*Build verbal, non-verbal, and written communication skills that enable learners to speak with clarity, confidence, and professional impact.*

Day-by-Day Session Plan

Day	Session Topic	Content Covered	Activity / Practice
6	**Speaking with Confidence**	Voice modulation: pace, pitch, pause, power; eliminating fillers (um, uh, like); the 3-second pause technique	*Record 1-minute product pitch — self-review against checklist*
7	**Body Language & First Impressions**	Posture, eye contact, handshake; professional attire for sales; entering rooms and boardrooms with presence	*Mirror exercise: replicate confident body language — peer feedback*
8	**Rapport Building**	Mirroring technique; FORD method (Family, Occupation, Recreation, Dreams); active listening vs waiting to speak	*5-minute stranger conversation — build rapport before mentioning product*
9	**'Tell Me About Yourself' — Mastered**	Hook → Background → Value → Ask formula; 60-second professional intro; adapting for interviews vs clients	*Record 3 versions: fresher / client-facing / career-switch*
10	**Email, Phone & WhatsApp Etiquette**	Cold email structure; cold call opening lines; WhatsApp & LinkedIn messaging in sales context	*Write one cold email + one cold call script for a mock product*

Learning Outcomes

✓ Speak confidently without fillers or hesitation	✓ Create strong first impressions using body language	✓ Build instant rapport using structured techniques	✓ Deliver a polished 60-second self-introduction

MODULE 3 — Customer Psychology

Days 11–15 | 10 Hours

OBJECTIVE

Develop the ability to read buyer behaviour, identify real pain points, and apply proven psychological principles to influence purchase decisions ethically.

Day-by-Day Session Plan

Day	Session Topic	Content Covered	Activity / Practice
11	**The 3 Buyer Types**	Logical buyers: need data & ROI; Emotional buyers: need stories & vision; Impulsive buyers: need urgency & scarcity	*Scenario cards: identify buyer type and prescribe approach*
12	**Pain Point Discovery**	3 levels of pain: Surface, Business, Personal; discovery question framework; Pain → Consequence → Solution model	*Role-play: discovery call — identify all 3 pain levels in 5 minutes*
13	**Influence & Persuasion Principles**	Cialdini's 6 principles: Reciprocity, Commitment, Social Proof, Authority, Liking, Scarcity; application in Indian sales context	*Identify which principle is used in 10 real advertisements*
14	**Trust-Building Strategies**	Credibility equation: Expertise + Reliability + Intimacy − Self-Interest; using case studies; consistency builds trust	*Build a trust script for one real product — present to class*
15	**Anchoring & Value Framing**	Always present price after value; premium anchoring; reframe 'costly' before it becomes an objection	*Price presentation drill: present ₹50K product without sticker shock*

Learning Outcomes

✓ Identify buyer type and adapt approach accordingly	✓ Uncover 3 levels of customer pain through questioning	✓ Apply Cialdini's influence principles in real scenarios	✓ Build credibility and trust systematically

MODULE 4	The Sales Process (Full Funnel)	Days 16–20 | 10 Hours

OBJECTIVE	*Master the end-to-end sales funnel from lead generation to closing, with a systematic, repeatable process that removes dependence on luck or personality alone.*

Day-by-Day Session Plan

Day	Session Topic	Content Covered	Activity / Practice
16	**Lead Generation**	Cold outreach: LinkedIn, email, walk-in, cold call; warm leads: referrals, inbound; building a qualified lead list	*Generate 20 leads for a mock product using LinkedIn + Google search*
17	**Lead Qualification — BANT**	Budget: can they afford it?; Authority: are they the decision-maker?; Need: real problem?; Timeline: when will they decide?	*Qualify / disqualify 10 mock leads using BANT scorecard*
18	**The Perfect Pitch**	Structure: Hook → Problem → Solution → Proof → CTA; elevator pitch (60 seconds); demo best practices: show value, not features	*Timed 3-minute pitch to panel — structured feedback round*
19	**Follow-Up System**	Follow-up sequence: call → email → WhatsApp → LinkedIn; timing: 24hr, 3-day, 7-day, 14-day framework; CRM logging basics	*Build a 4-touch follow-up sequence for 3 mock leads in HubSpot*
20	**Pipeline Management Basics**	What a pipeline is; deal stages; win rate and conversion tracking; weekly pipeline review habit	*Set up a 5-deal mock pipeline in HubSpot — review with trainer*

Learning Outcomes

✓ Generate qualified leads using multiple channels	✓ Qualify prospects using BANT framework	✓ Structure and deliver a compelling pitch	✓ Execute a follow-up sequence and close with confidence

MODULE 5	B2C Sales — Retail, Walk-In & Direct Sales	Days 21–25 | 10 Hours

OBJECTIVE	*Develop the speed, emotional intelligence, and closing ability required to convert walk-in and direct sales opportunities across high-demand B2C industries.*

Day-by-Day Session Plan

Day	Session Topic	Content Covered	Activity / Practice
21	**The Walk-In Customer Experience**	First 30 seconds: greet, warm up, read intent; SPIN selling simplified; showroom body language and floor positioning	*Showroom role-play: greet and qualify a walk-in customer*
22	**Emotional Selling & Storytelling**	Help customer visualise ownership; storytelling: 'Our last customer in your situation...'; creating emotional urgency without pressure	*Tell a product story in 2 minutes — peer emotional impact rating*
23	**Upselling & Cross-Selling**	The yes-ladder: get small agreements first; upsell timing after the first yes; cross-sell based on lifestyle context	*Role-play: close the main sale → upsell one add-on → cross-sell one product*
24	**Quick Closing in B2C**	Speed matters — longer wait = more doubt; remove friction: payment, delivery, paperwork; handling 'I'll think about it'	*Speed-close drill: close 3 different customers in under 4 minutes each*
25	**B2C Industry Overview**	Real estate, automobile, insurance, EdTech, retail banking, FMCG, electronics; Kerala-specific high-demand roles and earnings	*Group research: present one B2C industry with salary data & job sites*

Learning Outcomes

✓ Handle walk-in customers from greeting to close	✓ Apply emotional selling and storytelling techniques	✓ Execute upsell and cross-sell naturally	✓ Identify top B2C industries and their sales dynamics

MODULE 6	B2B Sales — Corporate & Company Sales	Days 26–30 | 10 Hours

OBJECTIVE	*Build the skills to prospect, pitch, and close corporate clients — navigating long sales cycles, multiple stakeholders, and high-value deals with professionalism.*

Day-by-Day Session Plan

Day	Session Topic	Content Covered	Activity / Practice
26	**LinkedIn & Email Prospecting**	LinkedIn Sales Navigator (free tier); cold message formula: Personalisation + Value + CTA under 100 words; subject lines that get opened	*Write 5 cold LinkedIn messages for 5 different decision-maker personas*
27	**Mapping Decision Makers**	Buying committee: user, influencer, decision-maker, budget holder; navigating gatekeepers; multi-threading strategy	*Draw the decision map for one target company using LinkedIn research*
28	**Corporate Presentations & Demos**	Boardroom pitch structure: Problem → Solution → ROI → Next Steps; handling executive Q&A; slide deck best practices	*5-minute mock boardroom presentation — panel of 3 evaluators*
29	**Proposal Writing**	One-page proposal format: problem statement, solution, investment, ROI, next steps; language: benefit-led, not feature-led	*Create a one-page proposal for a mock B2B product — peer review*
30	**B2B Negotiation Basics**	Never discount price — negotiate on terms; handling 'your competitor is cheaper'; win-win frameworks: expand deal, not cut price	*Negotiation role-play: hold price, offer value — recorded and reviewed*

Learning Outcomes

✓ Write effective LinkedIn and cold email outreach	✓ Map and navigate corporate decision-making structures	✓ Deliver a boardroom-quality sales presentation	✓ Create a professional one-page proposal

MODULE 7	Objection Handling & Closing Techniques	Days 31–35 | 10 Hours

OBJECTIVE	*Master the techniques to handle the most common sales objections confidently and close deals using proven, ethical closing methods.*

Day-by-Day Session Plan

Day	Session Topic	Content Covered	Activity / Practice
31	**The Psychology of Objections**	Objection = interest; the 4 real objections: no money, no time, no trust, no need; Acknowledge → Clarify → Reframe → Resolve	*Sort 15 random objections into 4 real categories — group exercise*
32	**The 5 Most Common Objections**	'Too costly': reframe value not price | 'Not interested': uncover real reason | 'Let me think': create urgency | 'Not now': set firm appointment | 'Have a vendor': competitive differentiation	*Objection scripting: write personal responses to all 5 objections*
33	**Objection Gauntlet Practice**	Live objection handling drill: trainer throws random objections; learner responds in 60 seconds; immediate feedback	*Objection gauntlet: 10 random objections, timed 60-second responses*
34	**5 Closing Techniques**	Direct Close | Summary Close | Urgency Close | Assumptive Close | Alternative Close — when and how to use each	*Assign buyer type to 5 scenarios — choose and execute correct close*
35	**Post-Close & Referral Generation**	Reassure after the yes — managing buyer's remorse; referral ask timing (immediately post-close); setting delivery expectations	*Full role-play: pitch → objection → close → post-close → referral ask*

Learning Outcomes

✓ Recognise objection as interest, not rejection	✓ Handle the 5 most common objections with scripted responses	✓ Apply 5 different closing techniques to different buyer types	✓ Secure referrals immediately after closing

MODULE 8	Modern Sales Tools & Technology	Days 36–40 | 10 Hours

OBJECTIVE	*Develop practical proficiency in the digital tools used by modern sales teams so learners can contribute from day one in any sales role.*

Day-by-Day Session Plan

Day	Session Topic	Content Covered	Activity / Practice
36	**CRM Fundamentals — HubSpot**	What a CRM is and why it matters; setting up contacts, deals, pipeline stages; logging calls, emails, and activities	*Set up HubSpot free account — enter 10 mock leads, move through pipeline stages*
37	**LinkedIn for Sales Professionals**	Profile optimisation for sales credibility; Sales Navigator search filters; InMail vs connection request strategy	*Optimise LinkedIn profile — trainer scores against 10-point checklist*
38	**Google Workspace for Sales**	Google Sheets: lead tracker and pipeline dashboard; Google Docs: proposal templates, call scripts; Google Meet: professional video calls	*Build a lead tracker in Google Sheets — input 20 leads with status columns*
39	**AI Tools in Modern Sales**	ChatGPT for cold emails, objection scripts, and proposals; AI for prospect research and industry insights; what AI cannot replace	*Write 3 cold emails using ChatGPT — compare quality, edit, and personalise*
40	**Sales Productivity Stack**	Notion / Google Keep for daily task management; Calendly for meeting scheduling; WhatsApp Business for professional follow-up	*Set up personal sales productivity system — demo to trainer*

Learning Outcomes

✓	✓	✓	✓
Set up and manage a CRM pipeline in HubSpot	Use LinkedIn for professional prospecting	Leverage AI tools to accelerate sales tasks	Build a personal sales productivity system

MODULE 9	Placement Training & Interview Mastery	Days 41–45 | 10 Hours

OBJECTIVE	*Prepare every learner to confidently enter the job market, crack sales interviews, negotiate offers, and begin their career with a clear action plan.*

Day-by-Day Session Plan

Day	Session Topic	Content Covered	Activity / Practice
41	**Sales Resume That Gets Shortlisted**	One-page format; power verbs for sales: closed, generated, converted, exceeded; quantifying everything; LinkedIn alignment	*Build individual sales resume — peer review + trainer feedback*
42	**Top Sales Interview Questions**	'Tell me about yourself' | 'Why sales?' | 'Sell me this pen' | 'How do you handle rejection?' | 'What is your target strategy?'	*Mock Q&A round: 5 questions each — trainer scores on content and confidence*
43	**Mock Interview Session**	Full structured interview simulation; professional attire required; evaluated on: introduction, body language, answers, close	*Full mock interview: 20 minutes per learner — recorded, reviewed*
44	**Salary Negotiation & Job Search**	Research salary bands before interview; never give a number first; negotiating base + incentive separately; LinkedIn, Naukri, Indeed, direct outreach strategy	*Negotiation role-play: receive offer, counter, close — without losing the offer*
45	**Final Capstone Pitch**	Product of learner's choice; 10-minute live pitch to industry panel; objection round included; evaluated on full program competencies	*Graduation pitch — industry panel evaluation with written feedback*

Learning Outcomes

✓	✓	✓	✓
Build a one-page sales resume that gets shortlisted	Answer the top 10 sales interview questions confidently	Negotiate salary and incentive structures professionally	Execute a focused job search strategy from day one
